1. As of the spring of 1953, a large, many-storied cooperative in which the offices of the officials working for the Ministry of Interior are to be located, was being completed on the corner of Alabinska and Aleksandŭr I Streets in Sofia.

2. [   ] during the summer of 1952, a foundation about 20 meters in length and 7-10 meters in width was being excavated in the courtyard of the Teachers' Institute on Troykata Square in Burgas. [   ] observed large quantities of earth which had been excavated. In this foundation a concealed space, with brick walls approximately 80 centimeters thick and 2-3 stories high, with concrete tops, was walled up and the top of it was covered with earth and smoothed over.
